Your Child or Any Household Members Displaying Symptoms of Covid-19

If your child, or anyone in your household, is displaying symptoms of Covid-19, please do not send your child to school.

If your child or anyone in your household is displaying any cold, cough or flu-like symptoms whatsoever, it is absolutely vital that you keep your child home from school.

On the reverse of this letter are 5 'Return to School Parental Declaration' forms. Please keep these somewhere to hand at home (perhaps stuck on the fridge).

You are asked to fill out one of these forms after any absence your child may have from school in the coming months. We are not looking for notes or explanations, such as, "Seán had a toothache on Tuesday and couldn't come in". We don't want that. We just want this form.

We want to know that you have followed all public health advice and that you believe your child to not have any infectious disease on their return to school.

Weekends, school holidays and Bank Holidays are not classed as absences, so you do not have to fill in this form for those days. If your child misses a school day, this would be classed as an 'absence', so would need a form to be sent in when the child returns. You can send the form in with your child, to give to their teacher.

If, at any time, you need another sheet, let us know and we will supply one.

The form is also available to print from the homepage of the school's website: www.patricianprimaryschool.ie

If you lose this sheet, we will accept a handwritten note to the same effect.

Your co-operation in this matter is appreciated. It is done with the health of all the school community at heart.
