

From Patrician Primary Parents Association

Dear Parents/Guardians

The Parents Association in this school continues to provide support to the school and the pupils through numerous activities.

To keep this support going the Parents Association is looking for some additional parents to support the activities. There are various occasions where support is required (e.g. Cake Sale, Christmas Raffle).

If there are any parents/guardians who think they may be in a position to support any of these activities (even a couple of hours at any one event) please contact imonaghan71@hotmail.com / swanlouise1@gmail.com
